Please call, email or write our business office for a copy of our rate schedules. For questions about your bill, please contact us before the bill due date or visit our Website at www.duquesnelight.com.

Understanding Your Bill

Meter Reading – An **actual reading** is a reading taken from the meter. An **estimated reading** is used when no actual reading is available and is based on past electric usage.

Meter Multiplier – This is the number used to calculate total electrical usage in kWh, this number will vary depending on meter type.

Kilowatt-Hour (kWh) – The basic unit of electric energy for which most customers are charged. It equals the amount of electricity used by 10 100-watt light bulbs left on for one hour. A bill shows electricity charges in cents per kilowatt-hour.

Kilowatt (kW) – A measure of electrical power that is equal to 1,000 watts.

Demand – A measure of customer or system load requirements over a measured period of time. The **actual demand** is the highest average kilowatt usage measured amount of all 15-minute intervals during a billing period. The **billing demand** is the product of the actual demand and the power factor multiplier which identifies the total power provided to the customer.

Basic Services – Services necessary for the physical delivery of electricity service, such as supply, including default service, transmission and distribution.

Customer Charge – A monthly basic service charge that includes costs for meter reading, customer billing, service equipment, and other expenses. These expenses are incurred even in months when customers do not use electricity.

Distribution Charges – Basic service charges for delivering electricity over a distribution system to the home or business from the transmission system.

Supply Charges – Basic service charges for generation supply to retail customers.

Transmission Charges – Basic service charges for the cost of transporting electricity over high voltage wires from the generator to the distribution system.

PA EEA Surcharge (Fixed and Variable) – Charges for energy efficiency programs that help customers conserve energy and reduce demand.

Smart Meter Charge – Charges for advanced metering technology and related infrastructure that will provide the ability for features such as two-way communication and interval usage data.

Distribution System Improvement Charge (DSIC) – A charge for company investment to improve service quality and increase safety by repairing, improving, or replacing eligible infrastructure used to deliver electricity.

Non-Basic Service Charges – Any category of service not related to basic service.

Budget Amount – Based on your average Duquesne Light Company billed history over the previous 12 month period excluding non-basic services for the location billed and subject to periodic adjustments. Trending data is used if billed history is not available.

Advanced Metering – Device(s) for recording or communicating actual electric usage on a daily basis.

Time of Use (TOU) – A program to encourage customers to shift the timing of portions of their electric use by offering lower rates during time of lower electricity demand (off-peak) and higher rates during periods of higher electricity demand (on-peak) periods.

Suspended Charges – Charges held in relation to a dispute

Customer Assistance Programs (CAP) Residential Only

CAP – CAP is Duquesne Light Company's discount program for residential customers whose total household income is at or below 150% of the federal poverty level. Customers enrolled in CAP may receive a discount on their monthly service charges and have an opportunity to receive arrears forgiveness. If you need help paying your bills, call and speak to a Customer Assistance Program specialist at 1-888-393-7600.

CAP Budget Amount – The discounted amount that customers enrolled in Duquesne Light Company's CAP program are required to pay per month based on income and usage. This is a percentage of the monthly budget bill, based on income.

CAP Discount – The difference between the monthly budget bill and the CAP budget amount.

Debt Forgiveness – The amount of the arrears that is forgiven based upon receipt of a customer's regular monthly payments.

CAP Fixed Charge – A fixed monthly charge that will increase the Total Charges Owed amount of all CAP customers. This charge is required to offset increased program costs and is adjusted on an annual basis.

Maximum Annual CAP Credit – Each year, there is a limit to your total CAP Discounts. The Maximum Annual Credit amount is on page 1 of this bill.

Minimum CAP Amount – The lowest amount that a CAP customer must pay each month.

Grant Payment – Social assistance grants, such as LIHEAP and Dollar Energy, which are applied to your CAP Bills to reduce monthly payments.

Total Assistance Grant – All assistance grants that are applied to your account.

Special Services

Customer Protection Plan – An injury, illness, or vacation could prevent you from reading your mail as you usually would. At your request, we will send a copy of any Duquesne Light Company past-due notice to a person of your choice.

Billing and Payment Conveniences

E-Bill Service – Our **free** on-line bill presentment service. Once enrolled, you will no longer receive paper bills. You will receive an e-mail notification that your bill is available to view. You can sign up at www.duquesnelight.com

Automatic Bill Payment – Duquesne Light Company's **free** ElectriCheck service. After you join the plan, you no longer write checks. Your payment is automatically deducted from your checking account on the due date of the bill. You can apply at www.duquesnelight.com or call Customer Care 412-393-7100 for more information.

Schedule an On-line Payment – A **free** service to have your payment deducted from your bank account on the date you choose.

Budget Payment Plan – Helps residential customers level out monthly payment amounts.

Make a One-Time Payment – Credit card/check services. Go to our website at www.duquesnelight.com or call 1-866-526-0815. **Fees apply.**

U.S. Mail – Use the payment coupon and envelope we provide to return your payment to us.

Complete the information at the right to update your account.

If you are moving and need to have your service turned on or off, you must call Customer Care at 412-393-7100 or visit our website at www.duquesnelight.com.

For changes or corrections to be processed, check the box on the front of the coupon AND MAIL IN WITH YOUR PAYMENT.
